

FOR IMMEDIATE RELEASE

Kennedale Chamber of Commerce Implements New Payment Technology

Addison, TX. – July 17, 2008 – Addison, TX based Encore Payment Systems, www.EncorePS.com, a leader in the electronic payment processing industry, is proud to announce an exclusive three year agreement with the Kennedale Chamber of Commerce to provide payment processing solutions. Encore's electronic payment processing provides secure and simplified payment options for the Chamber by utilizing a data encrypted processing terminal. The addition of this service will allow the Chamber to accept Visa, MasterCard, Discover and American Express as payment for member dues and fees.

"We (Encore Payment Systems) are pleased to partner with the Chamber to provide a solution for their need to accept electronic payments," said Monte Lee, local Encore Payment Systems ISO. " This will allow (the Kennedale Chamber of Commerce) to accept payments for memberships, renewals, monthly networking luncheons and the annual golf tournament as well as other events throughout the year."

About Encore Payment Systems

Encore Payment Systems was established for the purpose of providing electronic payment processing solutions and other value-added services to small and medium-sized retail merchants throughout the United States. Encore is a leader in the electronic payment processing field providing credit card, debit card, ATM card, gift card, prepaid card, EBT and check processing services.

With over seventy years of combined experience in the electronic transaction processing industry, Encore's management team set forth a goal of creating a company with a sincere dedication to superior customer service and an honest and ethical approach to acquiring new customers. This vision has enabled Encore to become one of the fastest growing companies in the industry excelling in all aspects of merchant services.

Encore Payment Systems is located at 3801 Arapaho Road, Addison, Texas 75001. Visit Encore Payment Systems online at www.EncorePS.com
